## From the Presidents Desk...

Hi, fellow Brewers

Well, in a few weeks my first term as President comes to an end, and what a time in history it is. It's perhaps my favorite time of the year, getting together with family and friends and enjoying a Big Beer. Have any of you noticed the Millennium Beer made by Salvator? It would make any Beer Connoisseur a Happy Camper.

I also want to wish each of you and your family a very Merry Christmas and a prosperous New Year!

Next, a special thanks to the club officers and members that made my life as president a real joy. A plus for our club this year was the quality of the speakers that we had, and of course the

great brew that they offered.

It amazes me how Craft Brewers use their talent to produce a product that our forefathers would be proud of.

So in closing, I hope that your Holidays are safe, and please introduce one new person to our great hobby. It's our only link to keeping our heritage alive.

I hope to see you at our Christmas Party!

Esprit De Boire  
Be With You

Larry Tischer

**Monthly Homebrew Competition**

The November meeting marked the final monthly Homebrew judging session of 1999.

The final scores for the year reflect a change in standings due to an exceptionally good score posted at the November meeting. Mike Teed entered an Imperial Stout that left the judges looking for more.

Beers were judged at the August through November meetings, with 19 total entries over these 4 months. A complete listing of adjusted average scores accompanies this article.

Scores were adjusted in any case where a single judges' score deviated from the average of the other judges

**Homebrew Entry Scores**

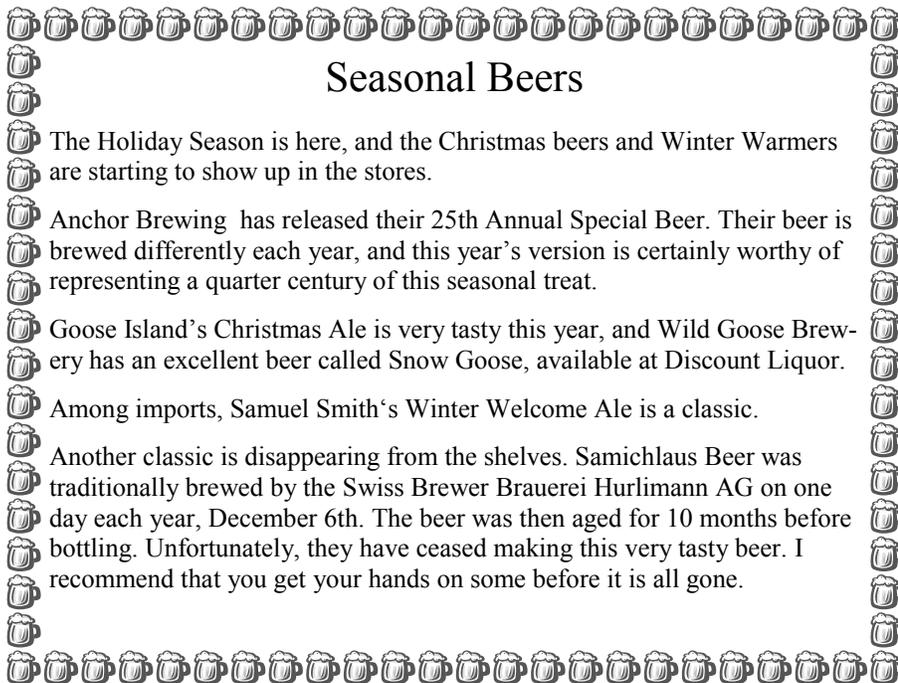

1	Mike Teed	Imperial Stout	43.8
2	Paul Martinez	Bohemian Pils	38.0
3	Paul Martinez	IPA	38.0
4	Phil Rozanski	Blonde Ale	37.7

by at least a factor of 25%. A few score were increased, none were lowered using this technique.

One intent of these judgments was to allow members who had never judged an opportunity to give it a try. Another intent was to get some good feedback to the members of the club who are brewing. We have managed to achieve those goals, and we were able to have some fun in the process.

These competitions will be held again in the year 2000. It looks like we will not have them every meeting, but we will have a judging at several meetings during the year. You are encouraged to participate as an entrant, a judge, or both.

Watch for announcements of future judgments in this Newsletter.

**Seasonal Beers**

The Holiday Season is here, and the Christmas beers and Winter Warmers are starting to show up in the stores.

Anchor Brewing has released their 25th Annual Special Beer. Their beer is brewed differently each year, and this year's version is certainly worthy of representing a quarter century of this seasonal treat.

Goose Island's Christmas Ale is very tasty this year, and Wild Goose Brewery has an excellent beer called Snow Goose, available at Discount Liquor.

Among imports, Samuel Smith's Winter Welcome Ale is a classic.

Another classic is disappearing from the shelves. Samichlaus Beer was traditionally brewed by the Swiss Brewer Brauerei Hurlimann AG on one day each year, December 6th. The beer was then aged for 10 months before bottling. Unfortunately, they have ceased making this very tasty beer. I recommend that you get your hands on some before it is all gone.

## Officer Elections

The December meeting is the time when the club elects officers to serve for the next year. Nominations were held at the November meeting.

The members nominated to serve office is as follows:

**President:** Larry Tischer

**Vice-President:** Karen Grade Rich Grzelak

**Treasurer:** Terry Keefe Dave Van Der Wegen

**Newsletter Editor:** Dan Schlosser

Motions for further nominations for each office will be entertained prior to the voting.

Following that, each candidate for office will give a short speech describing why they would be a good match for the position.

Then we vote.

And then we party.

## Christmas Party

The December meeting is the Annual Christmas Party. We have a gala feast planned for the club members and guests.

The Party will feature food provided by Cliffords, door prizes, raffle prizes, and of course we will have beer.

We are looking forward to a Cask Conditioned Scotch Ale brewed by Paul Martinez and other club members at the Mitchell Park Domes Octoberfest show. In addition, we will have some commercial examples of recently released Holiday Beers and Winter Warmers.

The food menu will feature finger foods and appetizers, and will include Chicken wings, breaded mushrooms, two kinds of meatballs, veggies, and more.

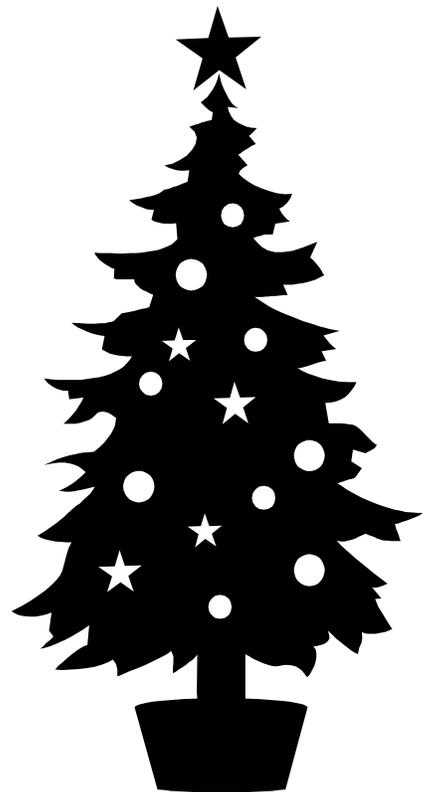

The admission to the party is \$10 per person. This will cover the food and the beer, and will also cover door prizes for attendees.

Raffle tickets will be available

for those who are interested. We have lined up a good selection of items for the raffle, so make sure that you get your tickets before the drawing.

The party, like all of our meetings, is open to members, guests, and anyone interested in talking about making and enjoying beer.

This is one meeting that you do not want to miss !!
