

Beer Barons of Milwaukee 2017 Professional Brewer Scholarship

The Beer Barons of Milwaukee are a club of homebrewers and beer enthusiasts with the mission of promoting the education and enjoyment of fermented malt beverages. As part of our education initiative, we offer one yearly scholarship for a regional brewing professional to attend a 2-week course at the Siebel Institute in Chicago. This scholarship is funded with proceeds from our World of Beer Festival with additional assistance from the Great Taste of the Midwest festival. It is a great opportunity for us to promote brewing education while positively impacting the beer made in the Midwest.

This scholarship is open to all brewery professionals in Wisconsin, Minnesota, Iowa, Illinois, Michigan and Indiana. It covers the full tuition for one of the 2-week courses at the Siebel Institute such as the World Brewing Academy Concise Course in Brewing Technology or any International Diploma in Brewing Technology Program of choice. The concise course covers all the key elements of successful commercial brewing. The diploma courses are designed for a more indepth look at a particular topic.

Applications will be accepted through February 28th, 2017.

The winner will be announced in early March. Please see the application URL at the bottom of this document, or scan the QR code to visit the online application form. Only online applications will be accepted.

We have provided this scholarship annually since 2012, and are excited to offer it again this year. Among others, some out of previous winners have come from breweries such as Lakefront Brewing Co, Milwaukee Brewing Co, and Goose Island. Our application pool continues to grow each year, and we look forward to considering you for this opportunity to experience world-class brewing education!

For eligibility details or to submit your application today, please visit our website. Contact us with any questions!
