## President's Letter

---

### Hi Everyone!

Hope you are all staying warm during this little February cold snap we have. Hopefully by the time you are reading this we will be closer to thawing temperatures. At least Imperial Stouts and Barleywines are in season!

I am looking forward to our general meeting with Revolution Brewing. I have been to their original brewpub at least 3 times over many years and have always been impressed with both their beer and food. I haven't been to their main brewery though, I'll have to give that a shot next time I'm in the area. Hope to see you there.

Good luck to everyone who submitted beers for Midwinter Homebrew Competition! It has been exactly a year since we had a local competition, so I am looking forward to using my critical palette again after a long break. With any luck, our club will bring home some medals.

Cheers!

Matt

### Beer Barons - Code of Conduct

Our goal is to improve our members' knowledge of home brewing and its enjoyment.

Please show your respect and courtesy to the people you have elected to do the business of this club and the guest speakers that are graciously giving their time to come and put on a presentation for you by being **QUIET** during the meeting.

- Nothing is to be removed from this room that YOU did not bring in (That means the club beers stays).  
Please leave all un-opened beer for others to enjoy at other events
- NO outside food is allowed to be brought into the meeting that was not purchased at Clifford's  
Only exception is for snack items to enjoy with your beer
  - Pretzels, popcorn, nuts

  - Please put your wristband on your wrist (not on your glass/horn)

NO guns or weapons of any kind allowed in the meeting  
NO SMOKING allowed in the building

**Listen - Learn - Ask questions**, someone **will** have the answer. Enjoy the meeting & guest speakers.

## Vice President's Update

---

Even though it has now been scientifically guaranteed that we will be getting 6 more weeks of winter, don't let those winter blues get you down. This month, we welcome **Kevin Kuzlik** of [Revolution Brewing](#) to share some of the best beer available from our neighbors to the south. They are the largest independently owned brewery in the State of Illinois and have won multiple awards from FOBAB to GABF to regularly being recognized by the Brewers Association as one of the best breweries in the nation.

Only a short drive from the Milwaukee area, they have two locations. One is the site of their main brewery, which also houses a German beer hall inspired tap room. The second is the brewpub, the original location, which has some of the best pub food I've personally had and always has a fantastic lineup on tap.

Most of us were probably first introduced to Anti-Hero and Eugene, but they are probably best recognized in craft beer circles for their Deep Wood Series; one of the best wood-aged lineups of any brewery in the country. We have a variety of beer styles from Revolution to share and discuss for February so hopefully there should be something for everyone.

Once again, a big thank you to **Dave Campbell** for his presentation in January. While this will be the last homebrew themed meeting for a few months, rest-assured that more will be coming.

Cheers!

Jason

### JANUARY 2021 GENERAL MEETING

Thanks Dave for another fun and informative presentation.

## Treasurer Report

---

Ahh, the obligatory month of love is upon us once again. Planning on taking a deep dive into the cellar to pull something special out and share it with your someone special? Our typically busy January was (obviously) more quiet this year. We had 29 members in attendance for the **Dave Campbell Gadget Night** which was entertaining as always. *Thanks Dave!*

This is your reminder that membership **expired** at the end of January – so if you didn't renew already, this is the month to do so! We have a blurb in the newsletter that walks you through the process of renewing online, however, we **DO NOT HAVE TO PAY THE PAYPAL FEE** if you pay in person (this fee is approximately 3.5%).

Please note there is a discrepancy between the paper and QuickBooks vs. the bank financials that is approximately \$400 higher, in the good way (saying that we have nearly \$400 more in the bank than what the books indicate – So, I'm trying hard to figure out where the discrepancy is). That being said, our financials – IMO – are in a good place at \$5,525.71. We will have enough to cover the Chilton and Great taste – so long as members pay promptly, which is always greatly appreciated for these events!

Patrick filed the Quarterly Sale tax report, which was all zeros. Our main activity with sales tax happens with WOB, hence the zeros for this report. Going forward we only have to submit yearly, so the next report will be in January 2022. I'm still learning the ropes, so please be patient and submit your questions to [officers@beerbarons.org](mailto:officers@beerbarons.org).

Danke!

Jared
